v.                                    )     Case No.   CR417-195  
  )  
DARYL JACKSON,                    )  
                    Defendant.     )

Bradford C. Patrick, counsel of record for the United States of America in the above-styled case has moved for leave of absence. The Court is mindful that personal and professional obligations require the absence of counsel on occasion. The Court, however, cannot accommodate its schedule to the thousands of attorneys who practice within the Southern District of Georgia.

Counsel may be absent at the times requested. However, nothing shall prevent the case from going forward; all discovery shall proceed, status conferences, pretrial conferences, and trial shall not be interrupted or delayed. It is the affirmative obligation of counsel to provide a fitting substitute.

SO ORDERED this 27<sup>th</sup> day of August 2018.
